

Pin-Stripe Scarf Knit Pattern

I don't know about you, but I usually have several projects on the go. At least one of them needs to be an easy knit that doesn't require too much concentration so that I have an excuse to relax and watch TV or a movie and keep my hands busy at the same time. This pin-stripe scarf knitting pattern is one of them.

Elmarie knitted up this beautiful scarf, which can easily be used as a shawl or wrap too, and we've called it our Pin Stripe Scarf, although clearly, it's a lot more colourful than the standard pin-stripe suit!

It's one of our favourite scarf patterns for a beginner also as it's not much more than plain and purl and learning to use different colours.
