Steven Be Workshop 1: Ponchini 101

09:00 to 12:00

@ Cowgirlblues – 10 Station Road, Woodstock

The ponchini is the new shawl – a versatile garment with so many design possibilities. This is your chance to cast on a ponchini with the help of the Ponchini Master himself. Experience the magic of mixology, taking a variety of yarns from different brands, weights, and fiber contents to create a magical and unique ponchini. Steven will teach you his favourite tips and tricks as he guides you through your first ponchini.

What to bring in your knitting bag:

1. The Ponchini pattern will be provided.
2. Minimum 3 yarns to work with; we love to experiment with finger weights like sock, lace, fingering and fiber contents like mohair and silk to be combined into a heavier weight. Yarns should be chosen and wound prior to class so we can begin immediately. More yarns can be added during class from the Mohair SA stash table. Choose a colour palette when bringing your stash to make it cohesive.
3. A variety of needle sizes will be needed so bring a good selection.
4. Tapestry needle, tape measure and scissors.
5. A work in progress or finished project for show and tell.
